Keyword Exercise
PSYC 306: Proverb Assignment

Step 1: Write your proverb below.

__________________________________________________________________________________________________________________________________________________

Step 2: What does that proverb really mean? Use plain language to write out what it is about below.

__________________________________________________________________________________________________________________________________________________

Step 3: Pull out the most important words or short phrases from your sentence in step 2.

__________________________________________________________________________________________________________________________________________________

Step 4: For each of the keywords or phrases you listed above, come up with as many alternate terms as you can in the space below. Remember to think of synonyms, narrower terms, broader terms, or similar terms.
